

Katie Stanton

(555) 555-5555 | stantoke@sunyit.edu
5555 N Street St. | Anytown, NY

Profile

Conscientious, meticulous, inquisitive worker who is a team player. Open to change, especially when the client is asking for revisions or providing constructive criticism. I enjoy creating hand drawn pieces or sketches to then be applied into a design.

Work Experience

Projects

Redesign of "Moana" CD Cover

Researched ideas and sketched layouts; selected CD; designed in Procreate, Illustrator and InDesign; printed final product to be inserted in a CD case.

Family Portrait Photography

Idea generation using Google and Pinterest; selected poses/angles/lighting to use; photo sessions; selected best photos, imported to Photoshop and made refinements.

Creation of "How to Make Oreo Truffles" video (Team Project)

Split the responsibilities of the project including creation of Oreo truffles, video work, and editing.

Par Government Systems (October 2016 - Present)

Graphic Designer

Provide graphical support to Program Manager for briefings, technical papers, and program documentation.

Updating software icons to modernize current graphical user interface (GUI), user manuals, developer documentation, etc.

Creation of animated PowerPoint slides to assist with the explanation of various program pieces.

Creation of diagrams utilizing Adobe Illustrator.
